DETAILED ACTION

1. Claims 1, 5 and 6 are allowed. Claims 2-4 and 7 have been cancelled.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

None of the prior arts of record teach or suggest the claimed limitation with respect to a logical view display means for displaying logical connecting relation on display apparatus in one of (d) a fourth display mode for displaying computers, first storage devices and their topology first storage devices being identified under a first condition that a export directory of each of storage device is specified as a mount point, and (e) a fifth display mode for displaying computers, second storage devices and their topology. second storage devices being identified under a second condition that block access protocol is used to access to each of devices and/or a third condition that export directory of each of storage devices is not specified,(f) a sixth mode of displaying the logical connecting relation both of third and fourth display modes at a time, (g) a seventh display mode for displaying unused storage device, and (h) an eighth display mode for displaying connection between computers and first and second storage devices under access limitation, and means for allowing a user to select one of first to eighth display mode along with the other limitations included in the claim. None of the prior arts of record teach or fairly suggest the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2154

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ashok B. Patel whose telephone number is (571) 272-3972. The examiner can normally be reached on 8:00am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John A. Follansbee can be reached on (571) 272-3964. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
